# DATA COLLECTION AND REPORTING

## HELLO FROM FRIENDS

Do you feel stuck in a routine job? Up for a challenge? Excited about supporting innovative projects working directly with children and youth? If you answered 'yes' then you may just be the person we need. How about these responsibilities? Would you enjoy them?

- Working directly with the teams on the field and support them to collect accurate data about their work
- Preparing qualitative and quantitative reports and contribute to analysing the results
- Conducting field visits and collecting exciting case stories and best-case practices
- Developing data collection tools and manage the data
- Training and supporting the team to correctly use data collection forms and systems

YES? Then what are you waiting for!

We are working with a wide range of projects related to child protection, health, education, alternative care, employment, social business and we need support in running the data collection and reporting system which is the key for our innovation process. We need you to be well organized and skilful with Excel and writing. You'll get a chance to work with people from multicultural background and further develop yourself in our dynamic work environment

SOUNDS GOOD ? Awesome ! email your CV now [hr@mithsamlanh.org](mailto:hr@mithsamlanh.org) and let's talk more

*Friends team*
