SERVICE AND COOKING POSITIONS AVAILABLE

Do these 3 things clearly describe you?

1. A creative cook OR a professional service staff who enjoys showing their skills to young people

2. Professionally trained and experienced working in international hospitality standards

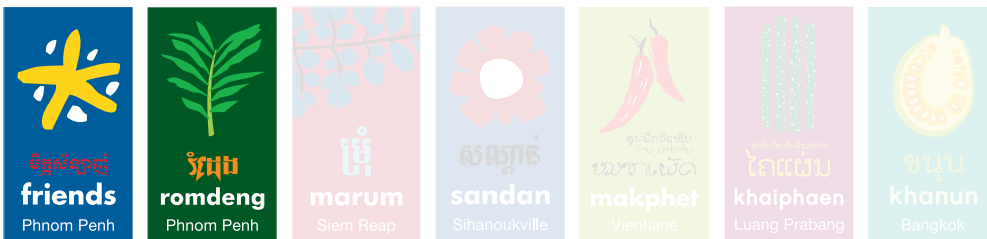

3. Dynamic and excited to work in a busy restaurant full of customers from all over the world

**Would you like to use all your skills to support hundreds of youth and families in getting a job?**

Our restaurants offer a job for you to work and learn from internationally trained Chefs and Hospitality experts, but not only that! We run vocational training restaurants, which means that while you work young people learn from you on how to cook and serve food and drinks, and also how to behave properly at work. This is important because it helps them to find a job and become an independent young person!

**We have opportunities for you to join our team in these restaurants:**

**BENEFITS**

- Health and social cover
- 35 days of leave per year

If your answer to any of these is **YES**, we hope you will consider working with us. Please send your CV to [hr@mithsamlanh.org](mailto:hr@mithsamlanh.org) and let's talk more. (Use restaurant name in the subject line)
